

Peppercorns Academy Media Consent Form

Dear Parent/Guardian

Below is our consent form for you to sign in order to give us permission to post footage of your child/ren on our YouTube channel, other social media, our website, and printed advertisements. We cannot use any media (film clips or photographs) containing your child/ren on any platform without your written consent. Before any photographs, artwork, or films are submitted you are more than welcome to view them, please let us know if this is the case.

We use this media mainly to showcase the incredible hardworking talent we have here at Peppercorns via our YouTube music videos, however we also use media to help promote our services or certain events. We will also use film footage to educate our pupils on how they can improve, or how previous pupils have performed a certain character, song or dance.

You may revoke permission at any time by emailing enquiries@peppercornsedon.org.uk with the subject field "MEDIA CONSENT PERMISSION". We will contact you and work with you on how best to proceed, such as by removing videos or deleting photos in galleries.

Thank you in advance
The Peppercorns Team
